

Narsinha Tiles

Since 1995
ISO 9001 : 2015 CERTIFIED

Paver: Natural Stone

Where Quality Matters

"A cheap purchase will cost you more in the long run"

About Our Company

Our Passion drives us

Founded in 1995 by Mr. Vijay Moraskar, our production began with manufacture of mosaic tiles on oil powered hydraulic hand press. Within a year, we started to manufacture concrete bricks. In 2004, we procured computerized cutting machine to make the tiles orthogonal to achieve accurate fitting. Later in 2008, we were the first to introduce hydraulic press paver in southern part of Kolhapur District. And now since 2013, we continue to manufacture rubber molded concrete pavers with variety of designs and sizes.

Vision

To be the pre-eminent provider of superior construction services by consistently improving the quality of our product. To add value for clients through innovation, foresight, integrity, and aggressive performance.;

Mission

01

To become the customers' most preferred choice by attaining excellence in quality and timely completed value added projects.

02

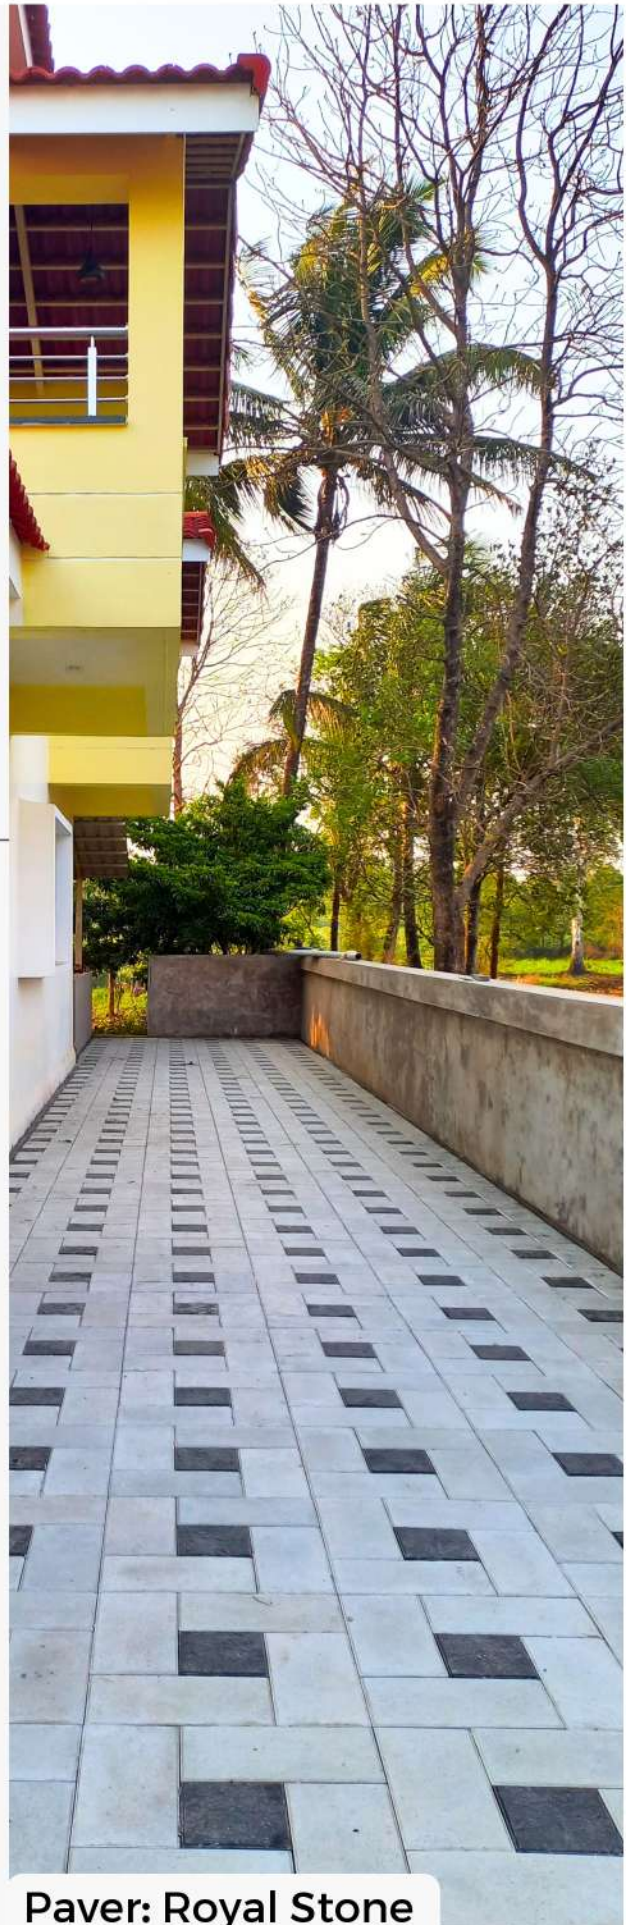

To provide the highest level of service in the construction industry while offering superior craftsmanship to every project we handle.

03

Our pledge is to establish lasting relationships with our customers by exceeding their expectations and gaining their trust through exceptional performance.

04

To continually innovate, develop and adopt state-of-the-art technology in methods and materials to enhance productivity and cost effectiveness.
